

2018 Fall Workshops

Keeping you at the forefront of the floral industry with Professional Development!

Fall and Winter Holidays

A Hands - On Experience!

Class Topic: Sometimes the Winter Holidays can get a little hummm-drummm and leave you grasping for ideas to make things new and interesting. Come for a night of stepping outside the box and let Lisa open your mind to a new world of creative ideas. Lisa has studied with floral artists from around the world and wants to share new concepts that you can have fun with. After you create an armature, you will have to decide how to adorn your piece to follow through with color theory and truly emphasize the shape you chose. Let your imagination run wild. We will also have a Spooktacular surprise element to work with!! Bring a friend, some laughter, and we will provide the rest... including the refreshments!

INSTRUCTORS: Lisa Belisle, AIFD, ICPF (Bill Doran locations) & Bob Larson, AIFD (at Chippewa Valley Tech. College)

COST: WUMFA member price: \$35ea. Non-Member price \$55ea.
