2023 Design Contest Registration Packet

The WUMFA Design Contest is one of the longest running design competitions in the country. You are not dreaming, this year the contest prizes have increased, and we want you to put in double the effort, creativity, and let your imagination go wild! This contest is an opportunity to learn and evolve as a designer. This year as we focus on Mid-Summer Night's theme, you will apply your skillset to show current and future trends. Winning competitors will be acknowledged at the Sunday luncheon and in *The Professional Florist*.

WUMFA encourages all members and students to strive for educational excellence and design skills for the enrichment of the art of floral design. Best wishes to all who enter and congratulations for your efforts to achieve design excellence!

WUMFA Design Contest Categories

Student Division

High School: Open to any student currently enrolled in high school, who has NOT worked “professionally” as a floral designer. One entry per student.

College / Trade School / Novice: Open to any student currently enrolled in college or trade school. College student currently enrolled in horticulture / floriculture program or an enrichment, design school or university floriculture program. Student must prove current student status. Novice are designers that have worked less than 3 years in the floral industry. One entry per student.

Professional Division

Open to any floral professional with three years or more experience in the industry. Contestants may enter one, two or three categories (themes). Contestants **MUST** be entered in all three professional categories to be eligible to compete in the prestigious WUMFA Designer of the Year run-off.

WUMFA Professional Division Winner

In order to become the 2023 WUMFA professional division winner, designers must enter all two professional division categories. The three individuals with the highest cumulative points from these categories will be selected as finalists to earn the chance to compete in a spontaneous surprise package competition. The names of the three finalists will be posted at the WUMFA registration desk in alphabetical order upon completion of the judging. The three finalists will have one-half hour on the main stage starting promptly at 4:00 p.m., Saturday, March 18, 2023, to create the spontaneous surprise package design. The three contestants will meet at 4:00 p.m. at the WUMFA registration desk.

The design contest committee will select all the materials in advance. Finalists are responsible for their own tools: (knife, wire cutter, scissors, pruner, needle-nose pliers). Contestants will be asked to leave the contest area during judging. The finalist with the highest total points earned during the surprise package competition will be the winner. He or she will be announced at the Saturday Night Banquet and Sunday Luncheon and will receive \$300.00.

WUMFA Design Contest Categories Themes

Student Division:

High School Theme: Hand Tie

You will design a European hand tie with a garden theme. You must use the spiral technique and have a focal emphasis. You may use any materials listed in the packet and items relating to Midsummer Night's Dream to convey theme. You may bring a vase to display your hand tie, Judges will test balance. Wholesale value is not to exceed \$30. **See below*

College/Trade/Novice Theme: Living Garden

Create a living garden for a client that lost her friend who was a Shakespearean lover and enjoyed reading and writing her own short stories. Your Dish Garden/planter must be real plants, succulents, or blooming plants and your soil, pots, and mechanics must be covered. Container is your choice along with any accessories and these are not part of the wholesale limit. You have a limit of \$40 wholesale in plants. The display space is limited to 20" long by 20" wide with no height restrictions. ** No Props *See below*

(Remember, if you sign up for all three themes you must bring your own tools in case you selected as a finalist to compete in the Spontaneous Surprise Package.)

**Hard goods, flowers, and foliage must be from the price list included in the design contest package, which also includes all of the wholesale prices. Each recycled item that you utilize will have a value of \$1. Your entry must be mechanically sound to withstand touching and handling by judges. No permanent botanicals (silks) are allowed*

*****No props are allowed. Props are defined as any or all items that are not a physical part of or attached to the composition being judged.***

Professional Division:

Theme 1: Shakespearean Wreath

Create an adult fresh floral and foliage head wreath fitting for the Shakspearian time of 1590's. You may use mechanics of today's era to construct your wreath. Prop like a foam head to display are allowed. You have a \$60 wholesale limit. **See below*

Theme 2: Dress the Table

Create a centerpiece befitting of a Shakespearean moon lit garden party. Your design must be in a compote style container, include the technique of grouping, and be more of an organic form allowing all the florals and foliage to be viewed. The display space is limited to 24" long by 24" wide with no height restrictions. You have a limit of \$95 wholesale. ** No Props *See below*

(Remember, if you sign up for all three themes you must bring your own tools in case you selected as a finalist to compete in the Spontaneous Surprise Package.)

Academy Division

Theme: Publishing Party

One of your favorite clients just published a book and they are celebrating with a huge party. They would like you to design an 8' harvest table that shows off the book nerd they have always been. Incorporate books, pages, and anything their attendees would stop in their tracks and just gush about how much the décor represents their love for fiction, romance, and adventure novels. This should be a cohesive theme whether it is color, texture, rhythm, and movement. You have a \$125 wholesale limit for floral perishables. Hardgoods and mechanics will not be part

of your dollar value. Your entry must be mechanically sound and balance to withstand touching and handling by judges. *Your entry must be mechanically sound to withstand touching and handling by judges. No permanent botanicals (silks) are allowed.*

Design Contest Rules

1. The contest is open to all WUMFA Members in good standing, their employees, all FFA students, and Gateway College students. **(Dues must be paid in full by March 20th)**

ENCOURAGEMENT & SUGGESTIONS FROM JUDGE:

The Principles of Floral Design

BALANCE: A state of equilibrium, actual or visual; a feeling of three-dimensional stability.

PROPORTION: The comparative relationship in size, quantity, and degree of emphasis among components within the composition; the relationship of one portion to another, or of one portion to the whole.

SCALE: The relative ratio of size, or the relationship of the size of a composition to the surrounding area or environment.

DOMINANCE: The visual organization within a design that emphasizes one or more aspects. When one element is emphasized others are subordinate.

EMPHASIS: The special attention or importance given to one or more areas within a design.

FOCAL AREA / FOCAL POINT: The area(s) of greatest visual impact or weight; the center(s) of interest to which the eye is most naturally drawn.

ACCENT: Detail added to a design to provide additional interest, affecting the total character of the composition.

CONTRAST: Emphasis by means of difference' strength through opposition.

OPPOSITION: Contrast between elements, which are counterpoint in relation to each other, bringing about a sense of tension in a design.

TENSION: The dynamic, aesthetic quality achieved by the skillful use of opposition, implying or suggesting a sense of energy.

VARIATION: Dissimilarity among attributes or characteristics.

RHYTHM: Visual movement through a design, usually achieved through repetition or gradation.

DEPTH: The placement of materials at different levels within and around an arrangement.

REPETITION- The recurrence of like elements within a composition.

TRANSITION: The ease of visual movement, which results from gradual degrees of change among one or more of the elements.

HARMONY: Compatibility; a pleasing or congruent arrangement of parts.

UNITY: Oneness of purpose, thought, style, and spirit.

The Elements of Floral Design

LINE: The vital visual path that directs eye movement through a composition

FORM: The shape or configuration of an individual component of the composition the overall, three-dimensional, geometric shape or configuration of a floral composition

SPACE: The area in, around, and between the components of the design, defined by the three-dimensional area occupied by the composition

TEXTURE: The surface quality of a material, as perceived by sight or touch

PATTERN: 1.A repeated combination of line, form, color, texture, and/or space 2. The silhouette of a flower or an arrangement as observed against its background, including solids and spaces

FRAGRANCE: A sweet or pleasing odor, perceived by the sense of smell

SIZE: The physical dimensions of line, form, or space

COLOR: The visual response of the eye to reflected rays of light
